Tom. See my 5/19 email response to this (attached). It may not be necessary to have McConkey at the first meeting. And if you are inviting McConkey, don't you also have to invite Sesko? Dave

Great question - I shot an e-mail to Phil, and will get back with you.

Tom,

Should we invite Trip McConkey to our meetings? He is a major stakeholder. We were also thinking of having a site visit after the meeting on 2 June - Trip definitely needs to be present at that site visit. Thoughts?
